

Center for Human Development
Changing Lives, Transforming Communities

DO YOU FACILITATE GROUPS OR PLAN TO IN THE FUTURE?

Tribes is a group process that will make the groups you facilitate more cohesive, effective, and nurturing.

With the guidance of skilled facilitators, you will experience a structure for creating a supportive learning environment. At the end of three days, you will have gained the tools to enable your groups to flourish.

Tribes Training...

an innovative and intentional process that will help you develop valuable skills for both professional and volunteer team facilitation.
