Tribes Training...

an innovative and intentional process that will help you develop valuable skills for facilitating both professional and volunteer teams.

DO YOU FACILITATE GROUPS OR PLAN TO IN THE FUTURE?

Tribes is a group facilitation process that will make your groups more cohesive, effective, and nurturing.

With the guidance of our skilled facilitators, you will experience a structure for creating a supportive and equitable learning or working environment. At the end of three days, you will have gained the tools to enable your groups to flourish.
