## Tribes Training...

an innovative and intentional process that will help you develop valuable skills for facilitating both professional and volunteer teams.

# DO YOU FACILITATE GROUPS OR PLAN TO IN THE FUTURE?

Tribes is a group facilitation process that will make your groups more cohesive, effective, and nurturing.

With the guidance of our skilled facilitators, you will experience a structure for creating a supportive and productive learning or working environment. At the end of three days, you will have gained the tools to enable your groups to flourish.
